

## Personal, Social and Emotional Development

- Understanding the importance of sleep, sun safety, exercise and healthy eating
- Bouncing back if things go wrong
- Yes I can! Having confidence in our ability

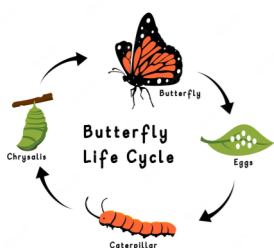

## Physical Development

- REAL PE - Health & Fitness
  - Ball skills
- Balancing, climbing and jumping
  - Forest school area
- Obstacle courses and team games
- Fine motor activities: cutting and joining

## Communication and Language

- NELI interventions
- Retelling stories and events we have experienced
  - Minibeast investigations
    - Articulating the life cycle of a butterfly
  - Information about bugs

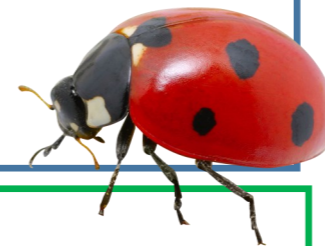

## EYFS

### Summer 1 - Curriculum Map

### 'Minibeasts'

This term we are learning about minibeasts! The Very Hungry Caterpillar story is learnt through talk 4 writing and we delve into the life of caterpillars, ladybirds and much more. We explore the lifecycle of a butterfly and find information in different ways about different minibeasts. We build bug hotels and wormery's.

## Understanding the world

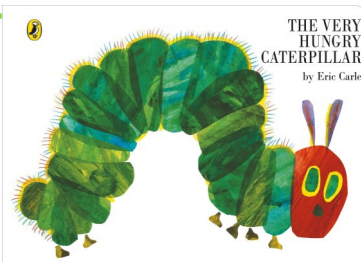

- Trip to Robinswood to experience the minibeast magic
  - Life cycle of a butterfly
  - Beebots
- Building bug hotels / wormerys
- How can we protect living things?

## Expressive Arts and Design

- Butterfly collages
- Art in nature
- Designing and building dens
  - Threading webs
- Hot seating the Hungry Caterpillar
  - Clay minibeasts

## Key texts:

The Very Quiet Cricket  
The Very Busy Spider

## Literacy

- T4W 'The Very Hungry Caterpillar'
- Link text: The very quiet cricket
  - RWI Phonics (daily)
    - List writing
    - Story writing
  - Information about bugs
- Using finger spaces, full stops and capital letters (independently and supported)
  - Minibeast poetry

## Maths

- 20 and beyond!
- Adding more
- Taking away
- Spatial reasoning
- Days of the week
- Comparing and composition of numbers 10 +
  - Subitising
- Speedy number recognition
- Recap of 2D and 3D shapes
