Update

23rd June

Dear Parents and Carers

Red Warning Weather Alert – Update

As many of you will be aware, a **Red Weather Warning** has been issued for Wednesday and Thursday, as temperatures are forecast to reach dangerously high levels.

Further to the letter sent out this morning and following guidance we are asking parents and carers to pick up their children at **12.30 pm** on **Wednesday 24th June and Thursday 25th June** as we will be **closing the school at 12.30 pm**. Children will be able to order a school lunch as usual, though this will be served at a slightly earlier time.

School gates will be open from 12.20 pm, so please go to your usual pick-up point.

Your support in dealing with this unprecedented situation is very much appreciated.

We currently expect to be open as normal on Friday, though this will be reviewed nearer the time.

Yours sincerely
