Year 1 Autumn 2 Curriculum

Take One Picture

Maths

As **mathematicians** we will:

- find and represent all addition and subtraction number facts of 7-11.

-count, sequence and write numbers to 100.

-think about one more and one less than a number.

-count forwards and backwards from a given number.

Science

As **scientists** we will:

- observe changes across the four seasons

- observe and describe weather associated with the seasons and how day length varies.

- identify everyday materials such as wood, plastic, metal, glass, stone.

-learn to describe the properties of everyday materials using words like: hard/soft, rough/smooth.

-investigate materials in order to solve a specific problem. Making a chair for a baby bear.

Design and technology

As **designers** we will:

- explore, design, make and evaluate a chair for baby bear.

History

As **historians** we will

- explore the life of Guy Fawks, a significant individual from the past.

PE

As healthy advocates we will:

-create shapes and explore artistic musicality within dance.

-looking at different shapes independently and with a partner.

Please don't forget to read at home at least 3 times or more, since the more you read the more you know.

English

As **readers** and **authors** we will:

-read and re-read a range of stories,

-read stories by our focussed author Oliver Jeffers.

-write our own sentences.

- learn to form-lower case and upper-case letters.

-learn to spell a range of words, including common exception words and those that follow a specific phoneme.

Music

As **musicians** we will:

- learn to sing and play along with the song 'Hey You'.

- play and improvise on the notes C

- listen to 'Old School Hip Hop' songs

Personal and Social Health Education

As **people who recognise that everyone matters,** we will:

-explore difference and how important being different is.

- value being different.
