

Personal, Social and Emotional Development

- How can we help other people?
- Thinking about the perspectives of others
- Caring for our families and our world
- My responsibilities at school and home

Physical Development

- Balancing and moving confidently
 - Gymnastics
- Opportunities to rock, tilt, slide and bounce
- Using large apparatus and equipment
- Healthy lifestyles

Communication and Language

- NELI interventions
- Retelling stories
- T4W The Enormous Turnip
- PCSO Stuart visiting
- Hatching of the chicks discussions
- Articulating the life cycle of a chick

EYFS

Spring 2 - Curriculum Map

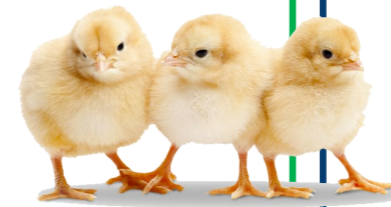

'Little Green Fingers'

This term's learning is based on new life. We plant cress and sunflowers and identify the changes that are happening. We have a delivery of eggs and watch the lifecycle of piping and hatching of chicks. We learn the story of the Enormous Turnip and make our own turnip soup!

Understanding the world

- Life cycle of a chick
- Planting and growing
 - Living eggs
- Changes in the seasons
 - Plant labelling
- How can we help the planet?

Expressive Arts and Design

- Vegetable printing and patterns
- Natural object paintings
- Mothers day & Easter crafts
 - Pastel drawings
- Observational paintings - sunflowers
 - Colour hunts around school
